Our Commitment to Accessibility

We strive to make our website accessible and usable for as many people as possible. Our goal is to provide a website that is inclusive and functional for users with diverse abilities, devices, and assistive technologies.

We aim to follow recognized accessibility standards and best practices, including the **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA where feasible.

Accessibility Features

We make efforts to support accessibility through features such as:

- Logical page structure and semantic HTML
- Text alternatives for images where appropriate
- Keyboard navigability for interactive elements
- Sufficient color contrast where possible
- Compatibility with modern screen readers and assistive technologies
- Responsive design for mobile and different screen sizes
- Clear navigation and consistent layout

These features are intended to improve usability for users with:

- visual impairments
- mobility impairments
- hearing impairments

- cognitive disabilities
 - temporary or situational limitations
-

Ongoing Improvements

Accessibility is an ongoing effort. We regularly review our website and continue working to improve accessibility and usability.

Because technology and accessibility standards evolve, some areas of the website may still be in the process of improvement.

Third-Party Content

Some pages on this website may contain content or integrations provided by third-party services such as:

- embedded media
- payment processors
- external applications
- plugins or APIs

We do not control the accessibility of third-party content, but we prefer to use providers that offer accessible services when possible.

Compatibility with Assistive Technologies

Our website is intended to be compatible with commonly used assistive technologies, including:

- screen readers
- screen magnification software
- voice recognition software
- keyboard-only navigation

Compatibility may vary depending on the combination of browser, assistive technology, and operating system used.

Known Limitations

While we strive to ensure accessibility, some content may not yet fully meet accessibility standards. Examples may include:

- older content or media
- user-generated content
- third-party integrations

We are actively working to address these issues where possible.

Feedback and Assistance

We welcome feedback on the accessibility of our website.

If you encounter accessibility barriers or need assistance accessing any content or functionality, please contact us.

Email: contact@coatipress.com

Website: <https://coatipress.com/>

When contacting us, please include:

- the page URL where you encountered the issue
- a description of the accessibility problem
- the assistive technology or browser you were using (if applicable)

We will make reasonable efforts to respond and address accessibility issues promptly.

Alternative Access

If you experience difficulty accessing any information or service on this website, we will work with you to provide the information or assistance you need through alternative means when possible.

Updates to This Statement
